

©2007 The Bug Company.

A meal they can't resist.

The patent-pending BugBox!™ package delivers healthy crickets that are gut-loaded and calcium enriched. And because it breathes, the BugBox! eliminates the condensation problems that haunt plastic containers. Buying premium crickets has never been easier. Find out more at ebugco.com or call us at 1-800-451-2576.

OUTBACK ANIMALS

The Movie

The epic story of animals against the elements.

"A thrill ride from start to finish"

"Sure Oscar material"

"This Down Under tale delivers"

"Sets the bar high for reptile cinematography!"

"One of the years best!"

Coming soon to DVD!
